

You are invited to join us for a special series of

Equine Integrative Medicine Seminars

Led by Dr. Jennifer King, DVM

WHAT: Lecture and demonstration with hands on guidance for participants on our demo horses. Learn to recognize imbalance in your horse's body as a clue to identify areas of dysfunction that can lead to performance problems and potentially clinical lameness.

SEMINAR DATES:

- | | |
|---------------------------------------|--------------------------|
| 1 - Sunday, January 27 / 2PM-4:15PM | closing date January 22 |
| 2 - Sunday, February 24 / 2PM- 4:15PM | closing date February 12 |
| 3 - Sunday, March 24 / 2PM- 4:15PM | closing date March 18 |

Each seminar will address different aspects of identifying and responding to what our horses' bodies express when faced with challenges to hoof balance, the cold weather, training schedules, and other issues participants may bring up with questions.

WHERE: Seminar will be held at Inner Circle Farm, 40 White Hawk Trail, Patterson, NY 12563. Lecture portion will be held in our farm house and demo/hands on in our 50 degree heated barn. Please dress accordingly for barn temp.

Fee per session: \$40 - *sign up for all or individually by number.*
Class size will be limited so please sign up as soon as possible.
